the period of two years for passing the Hindi Examination should be reckoned from the date of commencement of the first Hindi Examination conducted by the Board. In respect of officers who are on deputation outside the State on the date of commencement of the first examination, the period of two years prescribed for passing the Hindi Examination will be counted from the date of their reversion to the State service. Similarly, in respect of officers who proceed on deputation outside the State within the period of two years from the date of commencement of the first examination, the period spent outside the State will not be reckoned in calculating the period of two years allowed for passing the examination.

2. As mentioned in Clause (i)(b) of Government Order dated 21st July 1958, Government servants who are over 45 years of age are exempted from passing the Hindi Examination. It is hereby clarified that this exemption will be available to all Government servants who have attained the age of 45 years on the date of commencement of the first Hindi Examination conducted by the Board or who will attain the age of 45 years within the period of two years thereafter.
